PORK PICKIN'S
Appomattox Pork Producers

Today, Thursday the 19th at Farmville, the First Annual Piedmont Market Hog and Trade Show will be taking place.Take time to visit some time during the day or evening and see the type and quality of pork, producers in the area are raising. Also come and enjoy the excellent food that the Porkettes and the Piedmont Producers are serving. Let's make this first attempt at the improvement of Market Hog Shows in our area a success. See over $300 worth of trophies and $1,500 in cash awarded to the youth and adult producers of the area.

The Appomattox Pork Producers will be doing their part to make it a success, so join us.

The National Pork Council, the Virginia Pork Industry Commission and the Piedmont Pork Producers, along with producers groups throughout the nation will make the month of October a time for pork promotion through the October Porkfest Promotion Campaign. We urge the retailers to help us in this effort by giving the consumers the best possible buy.

Hog prices continue downward in the light of greatly increasing costs. The farmers and producers are doing their part to supply the best possible food at a reasonable price but to continue he or she must see a profit also.

Attend the Virginia State Fair sometime this coming week in Richmond. The Pork Producers of the Area will be there!
